

Position Available: Civil Engineer and Designers

Due to ongoing success at winning new projects, we are looking multiple roles within our team.

This roles offer the following benefits:

- Excellent lifestyle opportunity to work at one of our two offices on the Central Coast. Avoid the commute to Sydney for work!
- Access to a generous overtime system.
- A long term pipeline of interesting projects.
- Excellent work environment with flexible working hours and social activities.
- Excellent salary package based on skills and experience.
- Opportunity to work with the country's biggest developers from Sydney to Newcastle.
- A tailored career development program.

ABOUT US

ADW Johnson is a multidisciplinary development Services Company with a total staff of approximately 85 between offices located on the Central Coast and Warners Bay of New South Wales.

ADW Johnson has developed an excellent reputation for delivering exceptional service to a wide range of clients, including large developers and government agencies.

ABOUT THE ROLES

We are looking for:

- 12D Designers
- Engineers between 1 -5 years' experience. Graduates will be considered.

Working within a team, you will primarily be involved in undertaking engineering aspects of projects, from concept through to delivery.

It is anticipated you would deal directly with clients, project team members and approval agencies with limited supervision.
